# ABOUT ALTERNUTS GROUP

## DELIVER SUSTAINABLE SOLUTIONS FOR A GREENER FUTURE

Alternuts Group is a leading global manufacturer and exporter of 100% compostable, single-use disposables. We offer eco-friendly, plastic-free alternatives such as bagasse tableware (plates, bowls, clamshells, trays), corn-starch bags (trash, grocery, carry bags, and more), and areca leaf plates. Our mission is to reduce environmental impact and provide sustainable solutions that support a greener future, promoting responsible consumption and lowering carbon footprints worldwide.

### Compostable Solutions

Offering eco-friendly, 100% compostable disposables for a sustainable future.

### Environmental Commitment

Reducing plastic waste and carbon footprints with green alternatives.

# OUR RESPONSIBILITY

## SUSTAINABILITY AT CORE

### Creating a Greener Tomorrow with Sustainable Solutions Today

We believe that sustainability is not just a choice; it's a responsibility. As a leading manufacturer and exporter of 100% compostable single-use disposables, we are dedicated to minimizing our environmental impact while providing high-quality, eco-friendly alternatives to traditional plastics. Our commitment to sustainability is woven into the fabric of our business, guiding our decisions and practices every day.

## LEADING THE CHARGE IN CARBON FOOTPRINT REDUCTION

Our commitment to sustainability drives us to lead the way in reducing our carbon footprint and promoting a healthier planet. We understand that every step we take toward eco-friendliness makes a difference.
